 $\,\,$ Please respond to these comments within ten business days by providing the requested

Form 10-K for the Fiscal Year Ended December 31, 2020

Consolidated Statements of Operations, page 62

1. We note that you offer Software-as-a-Service (SaaS) subscriptions. Please tell us the amount of revenue recognized from SaaS subscriptions for the periods presented and in which line item they are reflected in your Statements of Operations. Refer to Rule 5-03(b) of Regulation S-X.

2. We note that cost of revenue excludes the amortization of acquired intangibles and that you present gross

profit which excludes these expenses. Please tell us how your presentation complies with SAB Topic 11.B. In this regard, if you do not allocate this amortization to cost of revenue, you should remove the gross profit subtotal from your statements of

operations and re-label the cost of revenue line item to indicate that it excludes amortization.

3. We note that you present segment adjusted gross profit and segment adjusted EBITDA as

segment measures of profit or loss used to assess segment performance. If the $\ensuremath{\mathsf{CODM}}$

uses more than one measure of a segment's profit or loss, the reported (single) measure

shall be the one that management believes is determined in accordance

with the

amount in your consolidated financial statements. Refer to ASC 280-10-50-22 and -28.

Please tell us your consideration of disclosing only one measure of segment profit or loss.
